PROFILE

Hello there! My name is Rachel Wang and I'm in the business of delivering beautiful, custom-tailored experiences. As a creative with an eye for elegance in typography, photography, and strategy, my projects strike a balance between simplicity and detail. Outside of work, I'm passionate about beauty and style, dance, and fine art.

WORK EXPERIENCE

UI Engineer

LinkedIn | May 2021 - August 2021

Working with the LinkedIn Premium team to create and ramp a cancellation flow on web. Harnessing both creative and technical skills to collaborate with designers and engineers.

Creative Project Manager

STEM to the Future | October 2018 - present

Designed a cohesive and appropriate website for STEM to the Future, an educational nonprofit. Direction of summer programs and branding.

Visual Designer

Haute Magazine | August 2020 - October 2021

Designing publication spreads and visual assets for Haute Magazine, USC's art, fashion, and culture publication. Haute showcases all things creative – art, fashion, journalism, music, film, photography, and more.
